

## FISHING TACKLE PROTECTOR

**Spanjaard Fishing Tackle Protector** is the ultimate protection for all fishing tackle. It cleans, penetrates, lubricates, displaces water and protects against rust.

### APPLICATIONS

**Spanjaard Fishing Tackle Protector** cleans, lubricates, penetrates, displaces moisture and prevents corrosion.

Will not damage monofilament, EVA grips, rods, seals etc. Leaves long lasting, water displacing protective film.

Can also be used to eliminate squeaks and protects caravans, trailers and other outdoor equipment.

### APPLICATION INSTRUCTIONS

- Use liberally on fishing tackle.
- For best results, a light spray before and after fishing equipment use is recommended.
- Before storage, reels should be dismantled, parts cleaned and sprayed.
- Rod and rod eyes should be sprayed regularly.

### HANDLING AND STORAGE

#### **Caution:**

**CAUTION: DANGER** – Extremely flammable aerosol. Pressurised container: protect from sunlight and do not expose to temperatures exceeding 50°C. Keep away from heat / sparks / flames / hot surfaces. No Smoking. Do not pierce or burn, even when empty. Do not spray onto an open flame or any incandescent material. 80% by mass of the contents are flammable. Use in well ventilated areas. Keep out of reach of children.
