

HAND CLEANER CITRUS

An off-white coloured emulsion hand cleaner utilising the cleaning power of D-limonene. A quality soft paste for cleaning greasy and dirty hands. **Spanjaard Hand Cleaner Citrus** contains lanolin, disinfectant and a fresh citrus fragrance.

APPLICATIONS

Spanjaard Hand Cleaner Citrus is extensively used by mechanics, motorists and "do-it-yourself" enthusiasts. The formulation consists of a petroleum solvent / D-limonene / water emulsion with added glycerine to offset any drying effect of one's hands. **Spanjaard Hand Cleaner Citrus** also contains detergents and a scouring agent, which readily removes ingrained dirt.

APPLICATION INSTRUCTIONS

Apply a small amount of **Spanjaard Hand Cleaner Citrus** generously to wet or dry dirty hands and work in well to loosen grease and grime. Rinse with water and dry with a cloth or tissue.
